# Glanzstücke mit Geschichte: Die Kunst der Reparatur-Werkstatt von WMF.

Showpieces with a history:  
taken care of by our WMF repair service.

Was heute die qualitative Hochwertigkeit der Produkte von WMF ausmacht, findet seine Ursprünge in der traditionellen Handwerkskunst. Daher ist es für uns auch nach über 160 Jahren Unternehmensgeschichte selbstverständlich, Werkzeug und Hand anzulegen, um ein Produkt aufzuarbeiten oder individuell zu verschönern. Die besondere Expertise der WMF Reparatur-Werkstatt reicht in alle verarbeitenden Edelmetallkünste hinein: vom Ausbeulen, Löten und Schweißen über die Versilberung, das Vergolden sowie den Austausch von Knöpfen und Griffen bis hin zur Umsetzung kundenindividueller Design-Ansprüche.

Mit Hingabe und Detailverliebtheit versetzen wir seltene und lieb gewonnene Stücke wieder in ihren ursprünglichen Zustand. Dieses Werteverständnis pflegt WMF seit jeher – lange bevor die Begriffe Nachhaltigkeit oder Vintage zum Trend wurden. Der Service ist in der Branche etabliert und geschätzt: Beispielsweise arbeiteten wir für den letzten Auftrag des Bundespräsidialamtes knapp 900 Besteckteile auf – denn dort deckt man den Tisch für Gäste bereits seit rund 60 Jahren mit WMF in Silber. Einen weiteren Weg haben mehrere Rinderbrustwagen aus

Madeira zurückgelegt. Nach jahrzehntelangem Einsatz im Belmond Reid's Palace kamen sie schließlich zur originalgetreuen Aufarbeitung in die Werkstatt von WMF. Bei solch sensiblen, historischen Stücken ist die professionelle Aufbereitung oft die letzte Rettung. Diese Tatsache weckt die Leidenschaft unserer Mitarbeiter, ein Stück Geschichte zu wahren.

The high quality that is characteristic of WMF products today has its roots embedded in traditional craftsmanship. This is why, even after our company history that dates back over 160 years, it is second nature for us to use our hands and tools to recondition products or to individually embellish them. The specialist expertise at the WMF repair service covers all processed precious metal arts: from flattening, soldering and welding through to silverplating, goldplating and changing handles and buttons to meet customer-specific design demands.

With devotion and a love for detail, we restore rare and treasured pieces back to their original condition. WMF has always had this understanding of values – long before

the terms sustainable and vintage became trendy. The service is established and valued within the sector: For example, as part of the recent order from the German Presidential Office, we restored nearly 900 pieces of cutlery – since for the last 60 years its table has been laid for guests using WMF silver. A number of roast beef serving trolleys have also travelled a long way from Madeira. After decades of use at Belmond Reid's Palace, they finally arrived at the WMF workshop to be restored to their former glory. With such delicate, historical pieces, professional restoration is often the last hope. This fact awakens the passion of our employees who enjoy preserving a piece of history.

Milano steht für italienische Lebensfreude. Seine umschmeichelnde Form erinnert entfernt an die einladenden Terrassen des Landes und es schmiegt sich durch seine pittoreske Art in das südländische Gesamtbild ein.

Milano stands for Italian zest for life. Its flattering form is faintly redolent of the country's inviting terraces and it fits nicely into the overall Mediterranean look with its picturesque style.

# Der perfekte Look mit starkem Charakter.

The perfect look with a strong character.

Mit innovativen Formen der Veredelung wird ein außergewöhnliches, starkes Design geschaffen. Die neu interpretierten Materialoberflächen mit den unterschiedlichsten Veredelungsarten setzen Ihr Besteck gekonnt in Szene.

Besondere Stilelemente werden durch die Varianten Stone-Washed, Glasperle und PVD erzeugt. Sie eignen sich für alle Modelle aus Cromargan®, sind spülmaschinenfest und schaffen ein besonderes Ambiente.

Die Möglichkeiten sind vielfältig und werden individuell angefertigt, dabei können die Veredelungen Produkten leicht das besondere Etwas verleihen. Der Kreativität sind keine Grenzen gesetzt. Informationen zu Stückzahlen, Preisen und Lieferzeiten erhalten Sie auf Anfrage.

This innovative form of refinement creates an extraordinary design. The re-interpreted material surfaces of our cutlery models with special forms of refinement skillfully draw attention.

Special stylistic highlights can be created by the variants Stone-washed, Glass bead and PVD. Those finishes are dishwasher-safe and suitable for all Cromargan® models.

The possibilities are diverse and customised to suit your individual requirements. The magic is able to turn regular products into eye-catching highlights. Creativity has no limits. Therefore, detailed information about order volume, prices and delivery time is available on request.

## **PVD. Extralage für edle Optik.**

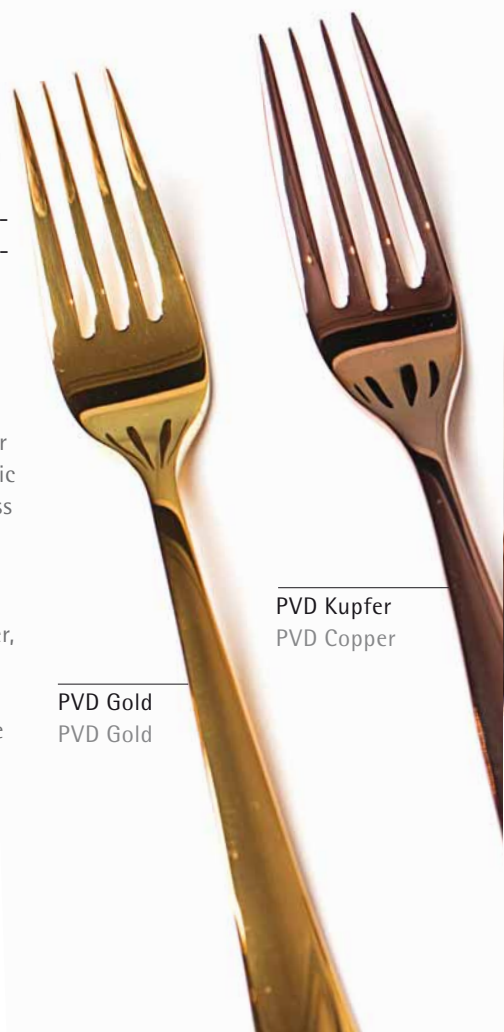

Farbtöne von Gold, Hellgold, Anthrazit und Kupfer verfeinern das Ambiente. Schicht für Schicht werden die lebensmittelechten, metallischen Farben im Vakuumverfahren aufgetragen.

Diese besondere Art der Veredelung ist für alle WMF Cromargan® Besteckmodelle geeignet. Hohlheft-Messer sind aus technischen Gründen von der Beschichtung ausgenommen. PVD, der Stoff aus dem die dekorativen Oberflächen-Verwandlungen sind, kommt übrigens ursprünglich aus der Schmuckindustrie.

## **PVD. Laid on additionally for quality good looks.**

Colors of gold, light gold, anthracite and copper enhance the ambiance. The food-safe, metallic colors are applied layer by layer in the process known as physical vapour deposition, PVD.

This noble kind of refinement are suitable for all WMF Cromargan® cutlery models. However, hollow-handle knives are excluded from the PVD process due to technical reasons. PVD, the technique that produces these decorative surface alterations, was originally developed for the jewelry industry.

### Stone-Washed. Steingewaschene Unikate.

Dieser imposante Vintage-Charakter wirkt insbesondere mit rustikalem Porzellan. Jedes Besteck, dass sich dem Stone-Washing unterzogen hat, ist ein Unikat für sich. Der besondere unregelmäßige Materialabtrag entsteht durch Schleifkörper, die seine Metalloberfläche wie kleine Feilen bearbeitet. Somit gleicht kein Besteckteil dem anderen und wird durch den „Used“ – oder auch Antik-Look zu einem tollen Blickfang.

### Stone-washing. Stone-tumbled singularities.

This imposing vintage character is especially effective in combination with rustic porcelain. Every cutlery is unique. The effect of irregular abrasion is formed by tumbler stones, acting on the surface of the metal like tiny files. Therefore, no two pieces are exactly alike. The characteristic 'distressed' or 'aged' look are great eye-catcher.

### Glasperle. Samtige Glanz- und Berührungspunkte.

Eine zarte, seidenmatte Nuance wird durch die Behandlung mit Glasperlenstrahlen erzeugt. Hierbei werden kleine Glaskugeln mit Hochdruck auf die Besteckteile geblasen. Diese besonders feine Form der Veredelung verleiht Bestecken eine angenehm glatte Oberfläche und ein schimmerndes, gleichmäßiges Erscheinungsbild.

### Glass bead. Velvety highlights and points of contact.

The treatment using glass bead blasting adds a delicate, silk matt touch to the cutlery and table accessories. Hereby, small glass beads are blown under pressure on each cutlery. This extra delicate technique of finishing affords a uniform lustrous appearance.

A still life photograph of a table setting. In the foreground, a tall, slender glass vase holds several vibrant red flowers with green leaves. To the left, a glass of orange juice is partially visible. In the center, a polished silver tray holds a glass of water. To the right, a silver sugar dispenser with a white liner and a silver teapot are placed on a dark, textured surface. The background is a soft-focus green, suggesting an outdoor setting.

# Buffet

buffet

**WMF Quadro. Buffet in Ihrem Takt.**  
Ein modulares Kombinations-Highlight.

**WMF Quadro. Buffet to your own beat.**  
A star of combination.

# WMF Quadro. Leuchtende Momente und individuelle Designs.

WMF Quadro. Bright moments and individual designs.

Der Schlüssel zur Individualität liegt insbesondere in der Verwendung des GN-Formats. Kein Buffet gleicht dem anderen. Alles im GN-Format. Für unbegrenzte Möglichkeiten, da alle Elemente gleich funktional sind. Dies eröffnet neue Freiheiten für Ihr System.

Das clevere Buffet-System kann durch Zugabe von Lichtelementen in kürzester Zeit das Ambiente verändern. In der Kunst werden Farben ganz gezielt eingesetzt, um bestimmte Stimmungen und Emotionen hervorzurufen. Diese Idee spiegelt sich in dem unverwechselbaren Look von WMF Quadro wieder. Die LED Lichter, als separater Bestandteil, können einfach und nach eigenem Geschmack in das Modul von WMF Quadro platziert werden. Diese unkomplizierte Handhabung macht das Buffet-System noch attraktiver.

The key to individuality lies especially in the use of the Gastronorm format. No buffet is the same as another. Everything in Gastronorm format. For unlimited options as all of the parts are just as functional. This allows a new freedom for your system.

To beautify the ambience within no time, the well-constructed buffet system can be achieved by light elements. In painting and art, colors are used specifically to evoke certain moods and emotions. This idea is applied to the unique look of the WMF Quadro system. As the lights can be used as separate components, they can be easily placed into the frame of the WMF Quadro system –suitable for your needs. This uncomplicated handling makes the buffet system even more attractive.

## WMF CHANGE Chafing Dishes: Freie Hand am Buffet. Von allen Seiten.

WMF CHANGE chafing dishes:  
One hand free at the buffet. From all sides.

---

Die WMF CHANGE Chafing Dishes gehen Hand in Hand mit einem reibungslosen Ablauf am Buffet, denn sie sind besonders einfach bedienbar, hygienisch und ganzheitlich durchdacht. Ihre Rolltop-Deckel lassen sich nahezu geräuschlos und leicht auf und zu schieben, so dass immer eine Hand für den Teller und die Speisen frei bleibt. Nichts muss umständlich abgestellt oder wieder zugedeckt werden. Das spart Zeit, Energie und hebt die Laune.

The WMF CHANGE chafing dishes go hand in hand with smooth proceedings at the buffet due to being outstandingly user-friendly, hygienic and well-designed. The roll-top lids slide open and closed almost soundlessly and with the easy action that leaves one hand free for plate and goodies. Nothing has to be awkwardly set down or covered over again. This helps save time and energy and lifts the mood.

### Einfach und sorglos zu bedienen.

Kein Tropfen, keine Wasserrückstände auf dem Tisch, dafür hitzeisolierte Griffe. Und die Deckel der WMF CHANGE Chafing Dishes mit integriertem Kondenswasserrücklauf sind komplett versenkbar. Sie schwingen außerhalb des Drehpunktes um den Brennstoffdosenhalter oder die Heizplatte vollständig unter den Behälter. So sind die Speisen von allen Seiten zugänglich und die Belüftung der Flamme ist stets gewährleistet.

### Handle without care.

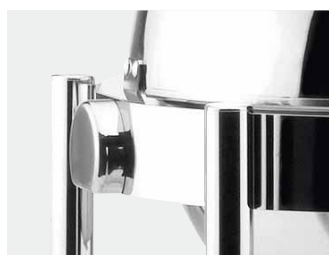

No drips, no water marking the table; thermally insulated handles instead. And the lids of the WMF CHANGE chafing dishes with integral condensation return are fully retractable. They swing outside the pivot point round the fuel-can holder or the hotplate and pass completely underneath the containers. So the dishes are accessible from all sides and the flame is never choked for air.

### Lässt sich mit Links öffnen.

Ergonomisch durchdacht garantiert eine spezielle Kabelführung auch beim Einsatz eines elektrischen Heizteiles, dass sich der Deckel problemlos öffnen lässt. Leichtgängige, stufenlose Bremsen sorgen dafür, dass der Lauf des Deckels optimal gedämpft wird. Für ein spielend einfaches Öffnen, Schließen und Arretieren. Alle Modelle, außer Manhattan, lassen sich platz sparend stapeln.

### Opens at the lightest touch.

A model of ergonomics in practice, a special cable guide allows the lid to open easily even when an electric heating element is in use. Smooth-acting, stepless brakes keep the movement of the lid optimally slow. For totally convenient opening, closing and stopping. All models, except the Manhattan, are stackable to save space.

## WMF CHANGE Cerealien Dispenser: Dreh- und Angelpunkt. Für einen guten Morgen.

WMF CHANGE cereals dispensers:  
Where it's all at. For a good morning.

---

Zu einem erfrischenden Start in den Tag gehören eine abwechslungsreiche Ernährung und ein schöner Anblick. Für beides sorgt der WMF CHANGE Cerealien Dispenser als glänzender Energiespender auf dem Frühstücksbuffet. Seine ausgewogene Mischung aus Form und Funktion verbindet sich zu zwei Platz sparenden Produktvarianten.

A varied diet and good looks are important for a vigorous start to the day. Both are in place with a WMF CHANGE cereals dispenser as a glamorous energy-giving centrepiece on the breakfast buffet. Its balanced combination of form and function merges into two space-saving product variants.

### Spielend einfache Frische.

Die hygienischen Behälter sind leicht zu entnehmen, nachzufüllen und komplett spülmaschineneeignet. Einfach am Bedienknopf drehen und die portionierte Entnahme der verschiedenen Müsli- und Getreideflocken regelt sich von selbst.

### Totally convenient freshness.

The hygienic containers are easy to remove and refill, as well as being completely dishwasher-safe. Simply turn the knob to dispense a measured helping of muesli or the cereal of your choice.

### Veredelte Frühschicht.

Das hochwertige Cromargan® der WMF CHANGE Cerealien Dispenser ist je nach Variante mattiert oder poliert. Die drehbare Variante lässt durch die platzsparende Anordnung der Cerealien-Röhren auch auf kleinem Raum keine Frühstückswünsche offen.

### Looking good at an early hour.

The high-quality Cromargan® of the WMF CHANGE cereals dispensers can be matte-finished or polished, depending on the version. If space is at a premium, the revolving version with the compact arrangement of the cereals cylinders leaves ample room for everything else that belongs on the breakfast table.

### Perfekte Harmonie.

Die Produkte der WMF Collection CHANGE sind variabel und stil-sicher. Egal ob Dispenser, Coffee Urns oder Chafing Dishes, alles passt zusammen und harmonisiert mit jeder Einrichtung.

### Perfect harmony.

The products in the WMF CHANGE collection are variable and stylistically flawless. Dispensers, coffee urns and chafing dishes: everything matches and harmonises with any interior fittings.

# Schönheit besteht. Auch aus guter Pflege.

Beauty endures.  
And good care helps.

Alle WMF Besteckmodelle und Tafelgeräte sind aus edelsten Materialien für intensiven Gebrauch gefertigt. Auch die Bestecke mit perfekter Glanzversilberung sind spülmaschinenfest und unkompliziert zu pflegen. Doch was täglich zum vollen Einsatz kommt, ist hohen Belastungen ausgesetzt.

Damit WMF Produkte lange Zeit in vollem Glanz erstrahlen, empfehlen wir für Silber, Messing und Kupfer die richtige Pflege. Dazu gehören speziell für WMF entwickelte Pflegemittel, um ein Anlaufen von vornherein zu verhindern oder wieder zu entfernen.

All WMF cutlery models and tableware are made of the finest materials for intensive usage. Even cutlery with superb high-shine silver plating is dishwasher-safe and easy to look after. But every item designed for everyday use has to withstand a great deal of wear and tear.

We want WMF products to keep looking their best for a long time, so we recommend proper care for silver, brass and copper. The care products specially developed for WMF are ideal for preventing tarnish and for removing it.
